A CASE OF BAD BOWELS

Are you happy? Not if your liver and bowels don't work. Happiness depends on the bowels. Every time you eat, you put into your body not only good material for repairs and fuel, but a mass of useless stuff that has to be removed promptly or it will clog your machinery, poison your blood,

throw your liver out of gear, and make you act mean to those you love. Your stomach is sour, your skin yellow, your breath offensive, and you hate yourself and all mankind. Winter or summer it's all the same, when you are unclean inside, you are unhappy and so is everybody near you. The cure is pleasant, quick, easy, cheap, never fails. Cascarets, the world's greatest bowel cleaner and liver tonic. Cascarets are guaranteed to cure constipation, lazy liver, bad blood, bad breath, sour stomach, biliousness, and all summer and winter bowel troubles. Don't be un-
